

### Limits of Care: School System's Responsibility

The Board expects that school administrators will assign sponsor and personnel to supervise and monitor before, during, and after all extra-curricular events sponsored by the schools of the School System in order to insure the safety and well-being of students who must remain on school premises until picked up by their parents/guardians. Further, the Board expects that school administrators will announce to parents/guardians that they are expected to pick up their child(ren) promptly after such events in order to permit school personnel to return to their homes at reasonable hours. In an effort to assist school personnel with this important issue, the Board authorizes school administrators to operate in accordance with the following guidelines:

#### Events for Which a Price is Charged

1. For price-paying participants, school personnel shall be responsible for supervising up to and through the end of the activity.
2. For student participants in an event requiring a price for admission, school personnel shall be responsible for supervising the student participants for not more than thirty (30) minutes after the conclusion of the activity.
