

Elba City Schools

STEM Summer Program

With STEM

The STEM Summer Program is open to students in grades K-9. The program will focus on a deeper look into STEM possibilities through use of the Elba Career Academy and field trips related to STEM. Students will have the opportunity to:

- Become “Master Chefs” through the exploration of Culinary Science
- Travel down the avenue of health science and become a “Dr. of Health and Fitness”
- Navigate engineering through visiting Camp Butter and Egg and Adventureland.
- Participate in a STEM Water Day
- Become a STEM savvy “Entrepreneuers” through participation in an Entrepreneurship Program through the Elba Chamber of Commerce
- Be exposed to other STEM based programs and activities throughout the summer program

Dates: Monday thru Thursday June 5th – June 30th

Place: Elba Elementary School

Time: 8:00 a.m. until 12:00 p.m.

Fees: Pre-registration fee \$5.00 and a \$35.00 participation fee for all activities

Students will be provided both breakfast and lunch through participation in the program. Parents will be responsible for student transportation to and from the program each day.

Space is limited to the first 50 registrations. The \$5.00 pre-registration fee must be paid at the time the registration form is submitted. The \$35.00 program fee should be paid no later than May 19th. *Registration forms received after the first 50 have been accepted will be placed on a waiting list and contacted as slots become available.*

Complete the attached form and return it to school to register your child for the STEM Summer Program.
